An Affordable Private Education

Hello Brooke,

An online degree from Loyola University New Orleans will help you confidently take the next step in your career, but we understand that higher education can be a big investment. While Loyola is already considered a "best value" school - ranking #12 for "Best Value in the South," according to *US News and World Report* - we want to make a private, Jesuit education as affordable as possible for online students. We offer a variety of financial aid options, including:

- **Student Loans:** Online students and their parents are eligible for loan assistance from the Federal Direct Student Loan Program, as well as from private sources.
- **Grants:** Eligible students can apply for federal or state grants that, unlike loans, do not need to be repaid. The amount of aid awarded is based on various factors, such as financial need, cost of attendance, and credits per semester.
- **Veterans Benefits:** We are proud to participate in the Yellow Ribbon program for veterans who are eligible.
- **Employer Reimbursement:** We accept tuition reimbursement from your employer, if they offer that benefit.

Applying for financial aid is easier than you think. We'll work with you one-on-one to help you understand your options and check your eligibility. Call us today at [844.526.9451](tel:844.526.9451) or email enrollonline@loyno.edu.

Sincerely,
